

To Whom It May Concern

11th November, 2008

Letter of Recommendation

We hereby confirm that the company STIV 88 EOOD, in the capacity of a geologic, geodetic and design company, acted as Geologic and Geodesic Surveyor on the project Storage Facilities in Kostinbrod and Bojourishte for Pinnacle Bulgaria EOOD on which Gardiner and Theobald acted as Project Manager.

The team of the company STIV 88 EOOD, under the management of Jivka Frangova and Georgy Frangov carried out a geological and geodesic survey and issued reports both in English and Bulgarian language that have been used by the design team and facilitated their work. The company STIV 88 EOOD proved to be professionals, very co-operative, and able to work in an international environment meeting the strict requirements of an international Client and Designers.

We would not hesitate to recommend STIV 88 EOOD to any Client or a Project Manager and would confirm their ability to work hard, meet short terms and provide valuable product at any similar project.
